

Rookies Junior Lifeguard Program

~ Letter of Commitment ~

BACKGROUND:

Papamoa SLSC and Eves Realty share a vision to have “community connection” ~ recognising and appreciating the necessity to proactively plan for an ever growing community.

Our very successful "**EVES Rookies- Junior Life Guards program**" will provide that vital bridge between Junior Surf and Senior Life Guarding. It is an educational program that introduces children aged 12-14 to a higher level of life guarding skills such as first aid, CPR, communication (radio & other) and patrolling requirements. Ultimately, **growing them into our lifeguards of the future**, ensuring as a club we can continue to develop and grow to meet the demands of our core business in the community. It is a privilege to be part of this program.

"EVES Rookies- Junior Life Guards program" foundations include – commitment, community service and quality life guards for the future.

~ We are very proud to have Eves as a partner, and sponsorship, for the 2017/18, 18/19 and 19/20 surf seasons.
